

# IMPACT-A DISPOSABLE EARPLUGS – PACK OF 50

Impact-A disposable earplugs are an important part of the personal protection requirement when it comes to hearing protection. Made from soft PU foam, the Impact-A disposable earplugs can be moulded to fit any type of ear canal to ensure a nice snug comfortable fit for the user, while providing them with a noise barrier up to 27dB rating.

The handy tradie pack is designed for the individual user in mind, becoming their own individual pack of earplugs.

The packs can be easily stored in tool boxes, the glove box or centre console of a vehicle, or on the shelf in a workplace or store unit on site. The container provides the earplugs with a clean & safe storage solution, which protects the earplugs from any form of contamination.
